

2010 STATEWIDE SYMPOSIUM IN SUPPORT OF MILITARY FAMILIES

Post-Symposium Clinical Track

*Advanced clinical training in assessment & intervention
with the military and veteran population*

Friday, July 16th

8:00 - 4:30

DESERT WILLOW CONFERENCE CENTER

4340 E. Cotton Center Blvd.
Phoenix, Arizona 85040

Providers throughout Arizona are invited to attend this one-day training focused on building Arizona's capacity to serve, support and care for the 625,000+ military and veteran families living throughout our state. This training will include:

- Assessment & intervention strategies for providing culturally competent care to the military and veteran population.
- An orientation for using a "military lens" when viewing presenting symptoms in service members, veterans and/or families.
- Special emphasis on co-occurring disorders (PTSD, TBI, substance use, suicidality).
- Information on resources available in the military, government and community.

Who should attend? Healthcare & allied health professionals, mental health clinicians, first responders, managed care providers and any other individuals who interact with military and veteran families.

Register at www.ArizonaCoalition.org/Symposium.html

Early bird registration deadline is 6/1.

Attendees are also invited to participate in the 2-day main Symposium event taking place on July 14th - 15th. Learn more at www.ArizonaCoalition.org/Symposium.html

This track will be submitted for CEUs. Please check the website for updates on approved CEU applications.

CLINICAL TRACK PLANNING PARTNERS

The Arizona Coalition for Military Families is a public/private partnership focused on building Arizona's statewide capacity to serve and support military families from all branches and phases of service.

The Coalition is managed by Empowerment Systems, Inc., an Arizona nonprofit 501(c)(3).
